Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Enclosed is form PTO-1449 listing twenty seven (28) references. Copies of disclosed U.S. patents and/or publications are not included pursuant to PTO waiver of the requirement under 37 C.F.R. § 1.98(a)(2)(i) for applications filed after June 30, 2003. Copies of other references, if listed, are enclosed.

Applicant makes no admission that the references submitted in this or any other Information Disclosure Statement in this application are prior art. In particular, Applicant makes no admission that the references that have an effective date between the filing date of the parent application (Feb. 10, 2003) and the filing date of the prior application (May 15, 2001) are prior art. Applicant believes that most, if not all, of the pending claims are supported by the disclosure of the prior application and are entitled to the benefit of the filing date thereof.

This Supplemental Information Disclosure Statement is being filed before the receipt of a first Office Action on the merits, and presumably no fee is required in accordance with 37 C.F.R. § 1.97(b)(3). If a first Office Action on the merits was mailed before the mailing date of this Statement, the Commissioner is authorized to charge the fee set forth in 37 C.F.R. § 1.17(p) to Deposit Account No. 11-1410.

Respectfully submitted,
